

To enter into the Gospel of John and John's three letters is to embark on an adventure, the story of a great and unsurpassable love, the Love that John discovered was God's name. In following Jesus, John discovers that there is indeed an edge and urgency to what Jesus says and does. The edge is this: you, too, can be light. You can believe. You can drink the living water. And the urgency is present as well: you are also called to follow and serve. You are called to receive the Spirit. A Journal of Love is meant to be an encounter, a felt sense of what it must have been and can be now to live that love. All those seeking that encounter will find a way through these profound, poetic meditations.
