

The network is full of roots, a result, the website designed according to the needs of grass-roots Web site functionality, which is opening. Each site has its own rules of the game, the network community called the algorithm. Whether it is a business platform for cultural platform or entertainment platform has its own algorithm. You want to ride in the network marketing industry, you have to understand the algorithm of the platform. Want to know that the algorithm is not easy. Only from the phenomenon to the nature of the direction of push. You push her large sites come and go. But it is because the algorithm is constantly changing, but you insist on constantly pushing, so opportunity is likely to emerge at this time.
