

Love, passion and sexâ€”all here in Darker Edge of Desire. Gothic literature has always possessed a dark attraction ripe with the promise of the forbidden and the sensual. In Darker Edge of Desire, Mitzi Szereto takes the sexualized Gothic and ratchets it up a few notches into the danger zone, opening the door into the darker side of lust and love that only the courageous dare to venture through. Venturing even further into the world of mystery and romance than she did in the critically acclaimed Red Velvet and Absinthe, Szereto creates an atmosphere with a distinct Gothic flavor where we explore our more forbidden desires. In these tales, love and lust (and kink!) know no boundaries, and all nature of beingsâ€”from vampires, werewolves, shape shifters, ghosts, succubaeâ€”abound. Tread carefully, danger and desire lie ahead!
