

This publication offers a guide for reading Sunday Gospels and meditating Homilies every week for the Liturgical Cycle C. A close familiarity with the words of the Gospels brings us into consonance with Jesus, inspires in us his love for the world, builds up enthusiasm for his project of the Kingdom of God, and infuses his Spirit in us. Without our scarcely noticing it, we become Christians. This personal meditation on the words of Jesus transforms us more than all the explanations, sermons, and exhortations which reach us from the outside. People change from within.
